It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the properties that we have on offer. The artist's impressions, floor plans, layouts and measurements are included for guidance only. Measurements may vary by plus or minus two inches. The homes may vary in terms of elevational design details, position/size of garage, and materials used. Such changes are due to our commitment to create homes of individual character.
